*Striving to give you the BEST service and make your DREAMS come true!*

Great gemsbuck taken by one of our clients.

A bumpy but enjoyable ride makes an African experience more memorable.

Ending another day of great hunting under Africa's sky.

An excellent wilde beast.

At last James found his grey ghost of Africa, and what a trophy!

**REMEMBER:**  
**Book your hunt for 2010 in advance to avoid disappointment.**  
**Thanks for all your support. See you soon in AFRICA!**
